

**Specialized services provided by
P R K Engineering (Pvt) Ltd.**

Inspection

- Inspect and certify pressure vessels and lifting equipments for industries under Factories Ordinance.
- NDT Inspection.

Steam Boilers

Installation of Electric, Diesel and heavy oil steam boilers.

Steam distribution

- Consultants in Steam Engineering
- Study usage of steam, for existing and future expansions & undertake to designing, installation and commissioning of steam distribution & condensate recovery systems.

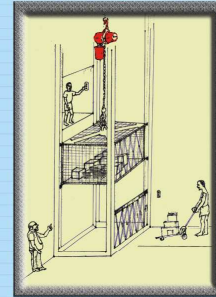

Compressed air

- Installation of Air Compressors, Air Dryers, Air receivers.
- Designing, installation and commissioning of central air distribution for industries.

Material handling

Design and fabrication of material lifting hoists, overhead traveling crane.

Steel work

Fabrication of Oil storage tanks, Pressure Vessels, Heavy and Light steel structures.

Design & Concept by V&V Graphics 0785 446464

Quick - fitting joints for Penumatic Piping

L-Type - Flow Controller φD R	Male Connector φD R	Y Socket φD φD φD	Straight Socket φD
Male Elbow R φD	Straight Socket φD	Female L Connector φD R	Universal Elbow R D
Air Flow Controller φD	Main Block φD φD	Pick Ball Cock Valve	Male Tee Connector φD R
Male Y Connector R φD	Reducing Tee Socket φD1 φD2	Tee Socket φD φD φD	Elbow D φD
Male Branch Tee R φD	Female Connector φD R	Reducing Y Socket φD1 φD2 φD2	Bulk Head Connector φD φD
Digital Condensation Remover Available Tube Sizes : 4mm to 12 mm (Metric) 1/4" to 1/2" Inch (Imperial)	Long L Connector φD L	Rotary Joint	Reducing Socket φD1 φD2
Drain Valve	F.R.L. Unit	Shut-off Valve	Self Closing Valve
PU Tube			

Available Threat Sizes : 1/8", 1/4", 3/8" & 1/2" BSP

Sole agent for,

P R K ENGINEERING (PVT) LTD
MULTI-DISCIPLINARY ENGINEERS, CONTRACTORS,
SPECIALISTS IN STEAM, COMPRESSED AIR PIPING AND GOODS HOIST
